

Custom Manufacturing for Industry

Metal Forming

Metal Working

- FABRICATION** : Precision Sheet Metal & Weldments
Stretch Forming, Roll Forming
Painting & Plating
- MACHINING** : Milling, Turning, Drilling, Broaching, EDM
Multi-Axis CNC for Complex Components
Machining of Castings, Forgings, Extrusions
Screw Machine: Conventional & Swiss
Grinding: Surface OD/ID, 5-Axis, Creep Feed
Gears & Splined Shafts
- STAMPINGS** : Transfer and Progressive Die

Plastic Molding

- : Injection Molding
- : Insert-molding, Over-molding & 2 Shot Molding

Prototypes

- : Castings, Machining & Plastics

Contract Manufacturing

- : Mechanical & Electromechanical Assembly
